Dear Colleagues,

We are happy to invite you to the 38th Annual National Conference of Indian Association of Paediatric Surgeons, to be held at Bhopal from 1st to 4th November, 2012.

There has been a tremendous growth in our speciality and this conference aims to provide information about recent advances. It would also give us an opportunity to share our knowledge and exchange views.

The heart of Madhya Pradesh, Bhopal, is a fascinating blend of scenic beauty, a proud heritage and modern architecture. Founded by the legendary Raja Bhoj, it is a beautiful city, full of lakes and hills. There are many places of tourist interest in and around the city. The stupa of Sanchi and pre-historic rock-art of Bhimbetka are world heritage sites. The celebrated temple of Bhojpur, with its Shivling, supposed to be the largest in the world, is nearby and can be easily visited.

We hope to make your visit to this conference both educative and interesting.

With best wishes.
