Chirayu Medical College & Hospital

Bhopal-Indore Highway, Near Bairagarh, Bhopal-462030
Tel: 0755-6679201, 102, 103, 0735-6679222

Colleagues & friends,

On behalf of indian association of cardiovascular and thoracic surgeon (iacts), i feel privileged to welcome you all to the ct cme & mid term gb 2019 in city of lakes bhopal on 17th and 18th august 2019 at chirayu medical college & hospital, Bhopal- Indore highway near bairagarh bhopal .

It is proposed to have a series of didactic lectures, wet labs for skill enhancement, demonstration of some newer surgical technology and mock examinations. The target audience is mch and dnb students and young consultants.

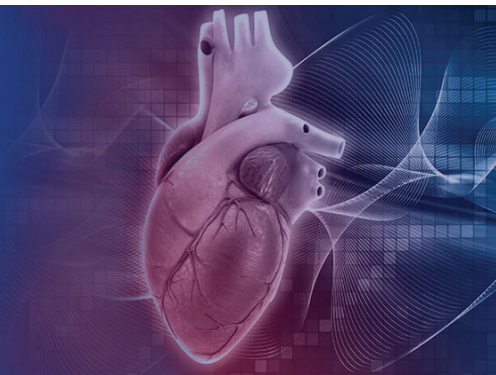

Bhopal is known as the "city of lakes"; its name is a derivation of bhoj tal ("bhoj's lake"), a lake constructed by raja bhoj. Today that lake is the upper lake. Bhopal has several museums and zoological park. Near bhopal is the unesco heritage site of sanchi stupa whence comes ashok chakra, the official indian symbol, also close by is ancient shiva temple bhojpur and 10000 year old cave paintings at bhimbetka. I hope to see you all in august 2019 in bhopal for a Vibrant and exiting meet.

Dr V M Kanhere

Ms Mch

Consultant cardio thoracic and vascular surgeon
Chirayu medical college and hospital bhopal
